[An Update To The TV Tuner Functionality In Windows Media Center Is Available For Windows 7](#)

Meet the New Windows 7 Taskbar

The image shows a Windows 7 desktop environment with several callout boxes explaining features of the new taskbar. The desktop background is blue with the Windows logo. A Recycle Bin icon is in the top left. A calendar and weather widget are in the top right. A taskbar is at the bottom with several icons. A taskbar menu is open, showing options like 'Resume previous list', 'Play all music', and 'Windows Media Player'. A taskbar thumbnail is visible, showing a preview of a running application. A taskbar icon is highlighted, showing a larger, unlabeled icon.

Recycle Bin

Aero Peek hides windows so that you can see the desktop.

Jump Lists provide instant access to program features.

A box shows that the app is running.

Thumbnails show you all of a running app's windows.

The new System Tray lets you hide icons and alerts.

New Taskbar icons are larger and unlabeled.

Tasks

- Resume previous list
- Play all music
- Windows Media Player
- Unpin this program from taskbar
