The screenshot displays the Audicom 9 software interface. On the left is a sidebar menu with the following items: Home, Tasks, Start, My Account, Start a new PCB Project, Open Project, Recent Projects, Reference Designs (with sub-items: Bluetooth_Sentinel, Connected_Cube, DB31, DB46), Project Documents, and Extensions & Updates. The main area is titled 'Project Documents' and contains a sub-section 'PCB & Schematics' with four thumbnails of project documents: '1x15 Vertical Header', '2x4 Right Angle Header', '2x16 LCD Module', and 'ATmega328P'. Each thumbnail shows a schematic diagram with components and connections.
